

## PMI Mass Bay Candidate Election Statement

Candidate's Name	Phil Cartagena	
Role Running For	EVP	

### Statement of Purpose

As a Mass Bay member since getting my PMP in 2004, I've been part of the inner workings of the chapter since 2015, and on the Board of Directors for the last 4 years. As EVP, I'll help to bring a level of board coordination and ownership that has been missing from this position and within the chapter.

Having served on the board as VP Finance has given me the opportunity to understand the chapter finances, its priorities, and the ways in which synergies between the various volunteer areas can be leveraged to achieve the chapter goals--to provide meaningful interactions for our members whether they be educational or social.

In addition, if elected I will help to focus the board on continuity so that we don't have board members leaving vacant positions in their wake as they move onto other endeavors either within or outside of the chapter.

### Biographical Information

The bulk of my professional experience has been in management consulting and technology-enabled solutions, most recently in the Healthcare industry. I've had the opportunity to interact with C-level executives in a variety of industries.

I earned a BA in computer science from Harvard University and an MBA from Columbia Business School. I hold a PMP as well as certifications from HL7 and HIMSS. I am also an adjunct professor at Boston University.

In my spare time, I've also been dabbling with board and card game creation which you could read more about at [www.craycraygames.com](http://www.craycraygames.com).
