

## **PMI Mass Bay Candidate Election Statement**

Candidate: Lewis Lau  
Running For: Director-at-Large

### **Statement of Purpose**

{Please describe the reasons you are interested in this position and why you feel you are a good candidate to be in this position. – 250 word max}

Project Management has been instrumental in my career advancement, and I would like to bring the same experience to other professionals new or experienced. Passing CAPM exam in 2015 and certified PMP in 2016, I have always been an active member of the local chapter (previously in Ontario, Canada, and currently Massachusetts). Having moved to Boston in 2018, I completed the Mass Bay mentorship program as a mentee and have been serving the technology as a volunteer for over a year. I believe that PMI education should be innovative, inspiring, and beneficial to communities. I sought to bring a fresh, rational perspective to the table, and diligently deliver promises in renewing the value of PMI programs.

### **Biographical Information**

{Please provide biographical information about yourself that demonstrates your qualifications for this position and any other information you believe will help you explain your qualifications to our voting members. 250 word max}

Not only certified by PMI, I also hold a professional certificate in Project Management, and Financial Analysis & Investment from University of Toronto. Currently, I am pursuing MBA and MS in Manufacturing in Boston University at a part time basis. My professional experience is in pharmaceutical industry where I manage contract manufacturing projects, and have previously successfully executed complex programs (\$5mm budget).
